Steele,

Grab your java for this one.

I've attached a jpg of the Facebook post noted below and preserved the account with www.facebook.com/records.

Why I'm sending this email? I strongly suspect the Chief will be asking about this in his morning meeting.

Sunday: 22-25128 – your file – charged and held for show cause. Released with conditions by [REDACTED].

Tuesday: 22-26746- command centre alerted to the alarming posts- Cst. Cudrasov enters an IA. Cst. Schulz apparently met with the male to assess his mental state, no IA yet.

Tuesday: 22-26987 -FDS enters a report that [REDACTED] tried to sign in at 474 (no sign in conditions).

At 19:37hrs, Dom Trudeau offers CBRNE assistance if required (pdf attached). OPS media release at 20:49hours Tuesday Feb 1st naming [REDACTED] (attached pdf) as one of the 2 persons arrested in the demo so far.

I have assigned you as the Lead for these 2 new files and created a follow up for Cst. Schulz.

[REDACTED] has not locked down his Facebook account so he may start receiving posts from members of the community.

See you in the morning.

Moe
